Color En Mexico (Spanish Edition)

Synopsis

Mexican Color explores the historical and contemporary use of colour in the country where virtually every environment - in the home, in public places and in natural settings - is rich with vibrant explosions of colour. '

Customer Reviews

The pictures are great but I wanted the English version - how can I get that? You do not indicate which language it is written in on your order form. I have seen the English version and assumed that this was what I had ordered. I will be returning this one (in spanish) - how can I get an English version
