What People are saying about "New York City's Five Points: The Most Dangerous and Decadent Neighborhood Ever!" • Joe Bruno! By Brenda

"New York City's Five Points: The Most Dangerous and Decadent Neighborhood Ever!" • by Joe Bruno is another one of his books that I just loved. I couldn't walk away from this compelling read if I tried. Bruno has a way of telling a story that makes it come alive right in front of your eyes. He brings along his knowledge and great humor that makes this an exhilarating turbulent heart thumping ride. I would highly recommend this book and all others by this author. He adds a real life force to his well-researched, true-crime stories. Nothing better than the real deal and this is what you get. As usual this was a great book. By lcook0825

As usual this was a great book. Joe has a way of putting you back in the time the book is portraying. I am a big fan of the era and love reading about all the areas that I have actually been too. I can picture in my mind how they looked back then. I look forward always to another book by Joe Bruno. Fascinating. The characters of the Lower East Side

By N. Schnidman

"Famous Murders, Riots, Disasters, and Crooked Politicians - New York City - 1834 - 1938" by Joe Bruno is a "must-have" for all readers interested in New York City history or anyone who loves to read riveting tales of the seedy under-belly that gave birth to one of the greatest cities in the world. Told with unflinching realism and historical accuracy by someone who was raised on the streets he writes about, the novel covers everything from some of the most grizzly murders in American history to such terrifying and

devastating disasters as the "Triangle Shirtwaist Factory Fire" that changed American labor laws all over the country. The author of other New York City based titles, such as, Mobsters, Gangs, Crooks and Other Creeps-Volume 1 and 2 and Find Big Fat Fanny Fast: The Biggest Mafia Killer Ever!, Joe Bruno is a wonderful writer who does extensive research into his subjects, writes with great clarity and loves his topics.
