Everyman And Medieval Miracle Plays

Synopsis

God's creations of man in a lyrical dramatization; Noah's cantankerous and hilariously funny wife refusing to leave without her friends; the Massacre of the Innocents Miracle Plays were a popular form of entertainment throughout the Middle Ages, and part of the poetic and dramatic tradition on which Shakespeare drew. Everyman discovers what you can't take with you when you go. He beseeches in turn friends, family (one pleads 'cramp in my toe'), possessions ('I follow no man in such voyages'), and finally falls back on moral and religious values. The most comprehensive paperback edition available, with introduction and extensive notes.

Customer Reviews

Everyman may have been written in the 1400s but its values are very true to the new century.

'Everyman' is a story about Humanity's battle for salvation, and that beauty may lose its luster, your intelligence may fade, and your Five Wits may up and leave you, all you have is your Good Deeds to take with you as a companion to the grave. If you enjoy English Literature, read this book. Mike Fulton, Freshman Advanced English.

I bought this as a required textbook for a class. It is interesting; the introductions to each play really illuminate the material, and the footnotes provided resolve much of the confusion the language of some plays might give to the average reader. I would recommend it as a textbook, as well as some interesting light reading for those interested in Medieval drama.

EVERYMAN AND MEDIEVAL MIRACLE PLAYS Edited by A.C. Cawley I bought this used book for my college aged son. He needed it for a college class. Much cheaper than the campus bookstore. The book was in good condition. This edition comes with a nice introduction and extensive notes. My son liked this book and said he learned a lot from it.

Everyman transcends all times, every time. Written six hundred years ago, the tale remains as relevant now as it was then. I recommend this for anyone who has ever pondered the human condition and wonders about its future. It's all here at "Everyman."
