Love's Fire: Seven New Plays Inspired By Seven Shakespearean Sonnets

Synopsis

The greatest love poetry in the English language provides the springboard for master playwrights' never-before-published works about the triumphs and tragedies of the heart. The sonnets and plays in *Loves' Fire* are the seeds and fruit of an extraordinary project: seven sonnets by Shakespeare, newly envisioned for the stage, in one-act plays by seven brilliantly gifted contemporary playwrights. Shakespeare's sonnets of romantic and sexual love are timeless, for they are not bound to any particular setting or to either sex. These seven plays, each paired with the sonnet that inspired it, are startling not only in the variety of their mood, content, and setting, but also in their unusual interpretation. For example, Wendy Wasserstein's version of Sonnet 94 is a one-act play set in the Hamptons, where a well-to-do couple is getting ready for a society benefit; Eric Bogosian creates a story of sexual jealousy and obsessiveness from Sonnet 118; and composer William Finn has transformed Sonnet 102 into a song about an artist attempting to paint his lover -- and failing. These seven new works, commissioned and produced by the Acting Company, will be performed in June. Brought together in this slender volume with the sonnets, they form a unique tribute to Shakespeare -- a rich and marvelously entertaining celebration of the modern playwrights' adoration of the Bard.

Book Information

Paperback: 144 pages

Publisher: Harper Perennial; 1st edition (June 3, 1998)

Language: English

ISBN-10: 0688161723

ISBN-13: 978-0688161729

Customer Reviews

I saw this play in person, and just finished the book. Nothing better than great poetry made for our time. Highly recommend for those who who've seen it, or heard a review. Some of the plays are musical so they don't translate well to paper. One drawback.

Love's Fire embodies our perception of language. The spoken and unspoken voices of God, Love, Nature, and Humanity become the essential elements in this collection of one acts. Riveting and powerful, Love's Fire demands to be performed. Not only is the language spoken by the actors and heard by the audience, but the language of our contemporary masters blends with the master of language himself, William Shakespeare. As Love's Fire reinvigorates our grasp of language we come to an understanding that poems, sonnets, books, plays, spiritual songs, or body movements fuel the fire of love. An excellent piece of work by 7 masters who dedicated the collection to the Bard.

Shakespeare's inspired words talk to today's audience through the intriguing interpretations of master American playwrights. Especially fascinating is John Guare's "The General of Hot Desire". These original works defy description...so read them...or better yet...perform them...and appreciate these unique literary gems in all their splendor.

This book contains some magnificent meditations on the nature of love. If nothing else, I suggest you buy it for "The General of Hot Desire," an interesting take on the nature of God's interaction with humanity throughout history.
