Sinner's Paradise (Sexy BWWM Romantic Suspense) (Tate Valley Sexy Suspense Series Book 3)

Synopsis

This book was originally released as *The Devil Within* in 2014. It has been rewritten. When Alicia Bellows is found beaten to death behind an abandoned nightclub, Tate Valley, California Detectives Alexis Adams and Penelope Dao are on the case. Alicia's murder leads them to a host of possible suspects including Alicia's married lover, and one of her closest friends who might know more about Alicia's murder than she lets on. Alexis becomes even more obsessed with getting Grant Copeland while sacrificing her job and relationship with Kevin Reed. Kevin gets jealous of Alexis' attention on Grant and wonders if she'll ever move on from the past. The lovers vowed to let nothing keep them apart, but Grant might be too much of a distraction for their romance to survive. Alexis comes up with a master plan to get Grant to admit his sins, but soon realizes that it won't be easy to beat the player who invented the game. Warning: This book contains a strong black heroine on a mission, a horny hero who will do anything for his woman, and sex so sinful it'll make you forget your religion!

Customer Reviews

This portion of this series is getting really good because now Kevin is beginning to see Grant for

who he really is. Lexi is trying her best to get Grant but it's not happening quick enough for her. Kevin is going crazy trying to keep Lexi away from Grant but us having no such luck. When Grant sits outside of Lexi house after her and Kevin has made love Kevin Starr's losing his patience and if it's one thing you don't do is mess with Lexi. This is a great series if you have read the Bruised series by Stacy then you will love this one as well.

Sinner's Paradise. I received this book as an ARC member in return for an honest review. This series is exciting! I didn't think Stacy - Deanne could top the last book but she did. This book is so intense and dramatic. The murder in the story was very twisted. I did not guess the murderer. It was a shocker! Alexis and Kevin's relationship is getting strained because of Grant. Alexis is obsessed with finding dirt on Grant and may lose Kevin because of her secret tactics. I enjoyed this book! Can't wait for the next book.

The storyline of this series is getting old. While the sex between Kevin and Lexi is entertaining the rest of the book was lacking. The big murder case was a let down when the killer was revealed. Lexi's constant obsession with Grant is ridiculous. She is constantly doing stupid things with little regard to anyone else. Then she has the nerve to get mad at her best friend and boyfriend. Grant's desire to have dinner with Lexi is creepy. I hope all is resolved in the next book and is not dragged out.

I seriously could not get enough of this book. Kevin and Alexis had the best sex ever and even I was jealous. It took me to another world as I turned the pages and I just didn't want it to end. That Grant was really causing things to become hectic, but I was shocked when I got to the end. This is something I would recommend to all new readers of BWWM romance. Stacy is one of my favorite authors and this book was not a disappointment. I am looking forward to another one similar to this. Great read!!

Twenty six year old Alicia is murdered and two deceives Penelope and Alexis are on the case to find her killer. This is a suspenseful tale of love, drama and romance. Ms. Stacy Deanne has done it again in writing a creative work of art! Keep up the great work.
