Customer Reviews

Though this is a very clean edition, it unfortunately is too small and compact to be comfortably usable as anything more than a study score. I was forced to then order the dover edition in order to have something large enough to conduct from. So depending on your font size needs this product may or may not be helpful.

Very small print puts this essentially in the "miniature score" category. Conductors will probably want to purchase the larger (9" x 12") hardcover from Dover, or search for a used Dover paperback (Dover's paperback scores of some of Ricordi's titles have gone out of print, suggesting some legal backstory.)
