On The Edge Of Consciousness: Poetry For Young Adults

Synopsis

A most delightful contemporary poetry collection. Poems for young adults, and any poetry lover who enjoys fresh, dreamy prose. How does it feel to writhe in your bed, thinking of a lost love, to contemplate your place in nature atop a cliff and to be transported into the night, where the world ends and adventure begins? Forced by fate to rebel against convention, stalking the echoes of your own footsteps as you worship phoniness above all and melt into the crowd ... on the edge of consciousness. An eclectic mix of poems on love, loss, fear, nature, urbanism, globalism and mother nature.

Book Information

Paperback: 32 pages

Publisher: MetaPlume (April 15, 2013)

Language: English

ISBN-10: 0987461451

ISBN-13: 978-0987461452

Product Dimensions: 6 x 0.1 x 9 inches

Shipping Weight: 3.5 ounces (View shipping rates and policies)

Customer Reviews

I am not usually much of a poetry reader, a dull course in English literature at university having successfully quashed most of my interest in the form, but I gave it a try regardless. Unexpectedly I found myself enjoying the clever and articulate verses and rereading some pieces several times over. An expert analysis of the virtues of the verse I will leave to others, but perhaps my best advice is that young men pick this up for some insights into the hearts of young women and the joy, pain, hope and beauty that dwell there.

An interesting variety of poems ranging from relationships, love and even to nature, definitely a recommended read for young adults.
