# Opal Sunset: Selected Poems, 1958-2008

## Synopsis

“A generous helping of [James’s] very best, guaranteed to lift the spirit and raise the eyebrow.” —Billy Collins

*Opal Sunset* marks the exuberant introduction of Clive James’s poetry to an American audience. Praised after the publication of *Cultural Amnesia* as one of the finest prose stylists of his generation, Clive James is now, with the publication of this collection, being granted recognition as the poet he has always been. For much of his long career it was hard to realize that James’s gift for poetry underlay his achievements in other fields. First as a television critic on Fleet Street, and later as a television personality in his own right, he achieved such fame for writing the way he spoke that his poetry was regarded as an idiosyncratic sideline, as if no celebrity could write worthy verse. A conundrum presented itself: how could a serious poet also be a television star? But for James, a duty to the discipline of verse was always fundamental, and his accumulated poetic output became impossible to ignore. As early as the 1970s, James’s long, mock epic “Peregrine Prykke’s Pilgrimage through the London Literary World” received almost unprecedented attention in his adopted England, while later, his satirical short poem “The Book of My Enemy Has Been Remaindered” became not only a standard verse quoted at fancy dinner parties but entered the culture as lines to be memorized by unpublished writers everywhere. James was suddenly in the odd position of having written famous poems well before he became a famous poet. Finally, the publication of a volume of his collected verse, *The Book of My Enemy*, earned him in 2003 the reputation as a serious poet that he has long deserved. Less inhibited by fixed categories, a new generation of critics has confirmed what James’s public has instinctively known, that he brings his poems to life with all the resources to be found in his prose: wit, imagination, social observation, and a dazzling play of language. In addition, his poems have an unmistakably characteristic rhythm that makes it compulsory to read them aloud. Switching between strict stanzas and free forms as the occasion suits, James brings a compulsively readable coherence to either mode; and always, over and above the binding force of his metrical assurance, there is a lyricism that brings even the plainest statement to extra life, and which often enters deeply into realms of human emotion. His later poems about the tragedy that struck his mother and father, for example, show an intensity of regret that mark his maturity as a poet and bring out his unashamed nostalgia for his homeland, Australia. *Opal Sunset* is a treasure chamber of epigrammatic jewels to which the reader will return again and again.

## Book Information

Paperback: 208 pages

Publisher: W. W. Norton & Company; First Edition edition (March 22, 2010)

Language: English

ISBN-10: 0393337359

ISBN-13: 978-0393337358

Product Dimensions: 5.8 x 0.7 x 9 inches

Shipping Weight: 12.2 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars [See all reviews](#) (10 customer reviews)

Best Sellers Rank: #977,037 in Books (See Top 100 in Books) #40 in [Books > Literature & Fiction > Poetry > Regional & Cultural > Australia & Oceania](#)

## Customer Reviews

Unless one is a masochist, which I am not, there is no reward in heaven for one poet reviewing the work of another, particularly when that other is one of our most important, lucid and exacting literary critics, Clive James. "Opal Sunset", his self-selected book, collects his own work from a career of fifty years. Although there are occasional poems in free-form, the great majority are strictly metered and cleverly rhymed. James has probably forgotten more about technical matters than most poets have ever managed to learn. The voice in his poems is a lot like that of Frederick Seidel, world-weary, all-too-knowing, cynical and satiric. As in his prose, James does not suffer fools gladly; the chief problem with the poems is that he rarely suffers at all. The fun is usually at the expense of someone else as in the famously brilliant poem that opens the collection, "The Book of My Enemy Has Been Remaindered." Even this jewel is perhaps one section too long. The great majority of the poems are in four and five line stanzas; the quatrains, especially, are so precise in their rhythm and rhyme that a certain weariness sets in, a sameness that confounds Emerson's and Frost's advice in regard to the meter-making argument; purposeful variation is all but not often enough found here. The first half of the book contains work from the first 45 years of his career; the second half is devoted to the most recent five years of production! Fortunately, the poems in the new section, from "Status Quo Vadis" (p.122) through "As I See You" (p.204), actually his first published poem used as a bookend, improve the overall effect and mitigate the tedium of tone and structure. "Status Quo Vadis" concludes with a stunner of a stand-alone line: "the breath of life is what actually kills you.
