Age Range: 12 and up

Grade Level: 7 and up

## Customer Reviews

When i first started reading Lazarillo de Tormes on my own, i immediately was amazed with how quick the language and style of the novel caught onto me. I am in a Spanish 3 class, and while reading this, it made me wonder why we NEVER read spanish literature like this! We always read very pointless short stories that are poorly written, and just have a poor cheap plot in general. So it was very refreshing to read a real piece of Spanish literature for the first time in my life. I believe Lazarillo will have a special place in my bookshelf just like that of Don Quixote and other famous works of world literature. If you like Huckleberry Finn, and a story that is full of brutality yet wit and satire, this novel will give u that and more! I didn't realize until now that this is one of the first picturesque novels of Spain, and the story itself became a canvas for other contemporary

characters and novels that somewhat has similar characteristics to Lazarillo. Any determined intermediate level Spanish student could read this novel just fine, you may have to have your Spanish dictionary beside you, but all in all it's not an extremely difficult or tedious novel to read in its native language. I highly recommend this book! I believe that Lazarillo de Tormes is highly underrated, and should get just as much hype, respect, and attention as Don Quixote.
