# White Egrets: Poems

## Synopsis

A DAZZLING NEW COLLECTION FROM ONE OF THE MOST IMPORTANT POETS OF THE TWENTIETH CENTURY In *White Egrets*, Derek Walcott treats the characteristic subjects of his career—the Caribbean's complex colonial legacy, his love of the Western literary tradition, the wisdom that comes through the passing of time, the always strange joys of new love, and the sometimes terrifying beauty of the natural world—with an intensity and drive that recall his greatest work. Through the mesmerizing repetition of theme and imagery, Walcott creates an almost surflike cadence, broadening the possibilities of rhyme and meter, poetic form and language. *White Egrets* is a moving new collection from one of the most important poets of the twentieth century—a celebration of the life and language of the West Indies. It is also a triumphant paean to beauty, love, art, and—perhaps most surprisingly—getting older.

## Customer Reviews

if you ask me to name my favorite poet, without hesitation i would answer derek walcott. any collection of poems by walcott is reason for a personal celebration, *White Egrets* no less, and in my enthusiasm i would hope that you find in the poems in this book by mr walcott at least some of the pleasure that i do. when speaking of poetry, there's always talk of the line. one from *White Egrets* chosen at random: `hide her face in mist and the barred sun shrivel'i remove my finger from the page and look up and see the line is from the poem, *Epithalamium: The Rainy Season*. an epithalamium is a wedding song, and the poem was written `For Stephanos and Heather', a couple who means nothing to me, but who must be very special to mr walcott for him to dedicate a poem to them. their

wedding in a rainy season is captured in the one line i selected at random; the mist become veil and the sun shrivel the appearance as the folds created by the drape of the veil, as well as being an allusion to a shakespearean sonnet. any line by walcott would reveal as many gifts. as a reader i am honored to be recipient of his poems, several of them, like White Egrets, for and in memory of his friends, like the joseph of white egrets, his good friend and fellow nobel laureate holder, joseph brodsky.
