I recently bought every book in this series- (Soprano, Belter, Tenor, Bass, Duets) I am going to post this same review on each page, so if you're seeing my name, there's no reason to reread any. I dropped a pretty penny doing it- but I would do it over, and over, and over again. In fact, I'll probably do it again next month so that I have 2 copies of each book. Years ago (maybe...20 ??) I bought the first (to my knowledge) series of Sondheim song books, and have treated them like they were priceless, because to me, they are! I was so thrilled when I saw these! Other reviewers do an excellent job of discussing how the songs compare to listings in other books. However, if you're like me, and want everything Sondheim there is- you simply MUST have these. There's no other way to say it.

Fun and challenging! Wonderful!!

Great

A somewhat disappointing selection
