# U.S. Immigration Made Easy (U. S. Immigration Made Easy)

## Synopsis

Ready to move to the USA? Here's the insider's guide you need! Want to live, work or travel in the United States? U.S. Immigration Made Easy has helped tens of thousands of people get a visa, green card or other immigration status. You'll learn: whether you and your family qualify for a short-term visa, permanent U.S. residence or protection from deportation how to obtain, fill out and submit the necessary forms and documents insider tips on dealing with delays, denials and bureaucratic officials strategies for overcoming low income and other immigration barriers where to find the latest forms online and more U.S. Immigration Made Easy provides detailed descriptions of application processes. There's also an immigration eligibility self-quiz, which helps you match your background and skills to a likely category of visa or green card and avoid traps that might destroy your chances. The 17th edition is thoroughly updated and revised to cover recent legal and fee changes including new rights for same-sex couples and new opportunities expected based on President Obama's 2014 Executive Order. It also includes new chapters on deferred action for childhood arrivals (DACA), the U Visa and other humanitarian remedies.

## Customer Reviews

U.S. Immigration Made Easy 17th ed. is a damn good reference book. It literally has everything you'd ever want to know about every type of visa available. It's all here, in black and white, and not in confusing 31s legal jargon. There is a section on each visa and its process, and at the end of each section there is a checklist with all the documents you would need. Organized, easy to read, and easy to understand, this reference book makes the tedious and frustrating process of immigration seem more doable and less overwhelming. Highly recommended. Note: If you're already in the country illegally this book will not help you. JUST MOVE ON.

I wish I had bought this book sooner. "Made Easy" is tongue-in-cheek; US immigration and visa procedures are Byzantine, costly, and unpredictable. It does appear that you can count on USCIS to be hostile and arbitrary to anyone but tourists. Their phone number is unlisted. Sad. I don't know of a better book on the subject for the general public. You may well need a lawyer, even for routine stuff, and you'd better get a specialist.

Great general overview of the field without getting too deeply into the law for laypersons to follow. A useful starting point for individuals curious about immigration law, though mostly aimed towards assisting individuals looking to emigrate with very detailed checklists concerning the facts and forms an individual will need.

I've used this book before in my non-profit legal work as it helps to explain or translate immigration law and requirements in a simple and comprehending manner.

Really detailed and informative. Step by step guide.

Very comprehensive and deeply covered.

OK+. Could be more succinct.

Great condition!
