Customer Reviews

From my daughter: Thank you for writing this book. I liked it. I liked the part about the Aztec kids and

the pyramids because it told you about how the pyramids were like the ones in Egypt. I liked learning about the biggest town, Tenochtitlan also. Lastly, I like learning about Aztlan, and wondering whether it was real or not. One thing I would change would be to put color in the pictures, so you could see better. I couldn't see the picture very well in the chapter about human sacrifice and I think color would have helped.
