Islamic Struggle In Syria

Synopsis

Syria has always played a pivotal role in Middle Eastern affairs, but most Westerners have never had a very clear understanding of the prevailing conditions there. *The Islamic Struggle in Syria* is a pioneering work that seeks to illuminate some important aspects on contemporary Syrian reality. It focuses on the bitter struggle between the Syrian Islamic Front and the repressive Ba'thist regime of Late Hafiz Asad. Dr. Abd-Allah provides valuable information on the leaders, ideology, and program of the Syrian Islamic Front as well as a history of the Muslim Brotherhood in Syria and sketches of some its leaders, including Mustafa as-Sibai, Isam al-Attar, and Marwan Hadid. At the same time, he touches on a number of important topics: the continuing nature of superpower intrigue and intervention in the Middle East, the importance of the sectarian factor in Syria politics, the origins and antecedents of the Ba'thist regime, the ambiguous role played by Hafiz Asad vis-a-vis Israel and the Palestinian cause, the role Syria has played in Lebanese affairs, and Syria's relations with other countries in the region.
