It was said Hill spent more time on her back than Michaelangelo did painting the Sistine Chapel. The word on the Las Vegas streets was that she was the exclusive property of mobster Bugsy Siegel, and it was plain to everyone in the know that Bugsy was just crazy about Hill. But was Virginia Hill really a Trojan horse in Siegelâ™s camp; put there by the Mafia to make sure Bugsy was giving them an honest count on their Las Vegas ventures?The answer is not that cut and dried.To purchase "Virginia Hill - "Mafia Molls - Beautiful Broads With Brass Balls Volume 3," scroll to the top of this page and GRAB your copy now!

Customer Reviews

Again with this book Joe Bruno has stories that are not widely known, I'm sure most people know some of the things he wrote about, but alot of it was new to me, and some of the things widely written about have a different feel to it

What can I say? Beautiful Broads With Brass Balls... I love the title. It entranced me. The writing is classic Bruno, which is edgy and fun. And entertaining and thoroughly enjoyable addition to his impressive collection of true crime works.

Joe Bruno has done a great job writing about this tougher than nails broad. This gives you another take on Virginia Hill the tough mob girl who supposedly was madly in love with Ben (Bugsy) Siegel. Bruno cast Hill as person who's only real love was money, and Siegel just another guy (of many)during their so-called love affair. I think it was more like a lust affair then a love affair because that was Virginia's MO. In any case a great read and a different look at Virginia Hill. I highly recommend this book.

Rather slow and full of people I have never heard of.
