# Concise Guide To Jazz (7th Edition)

## Synopsis

An introduction to jazz and how to listen to it. Written by active jazz musician and jazz historian Mark Gridley, the Concise Guide to Jazz was created in response to students and professors asking for a clear and accurate introductory jazz text. This brief text examines how jazz originated, how it is made, what to listen for, and the major style eras. By focusing on just over fifty historical figures, Concise Guide to Jazz, seventh edition allows students to understand a broad range of jazz styles without feeling overloaded. Concise Guide to Jazz focuses on the diversity of jazz styles and serves as a basis for further jazz exploration. This text is available in a variety of formats – digital and print. Pearson offers its titles on the devices students love through Pearson’s MyLab products, CourseSmart, , and more. ## Customer Reviews

Very interesting book. Provides history and knowledge of Jazz Music. Only downfall is that this rental does NOT come with the CD. For the class that I was taking, the CD was necessary. You can look up most of the songs.

The book is supposed to come with two CDs, but my brand new copy did not. The book has a large number of specific songs that were relevant to the creation of and illustrate different styles of jazz.

Per my instructors instructions we were to purchase this book and the cds were supposed to come with it. Extremely disappointed.

great product but didnt have the CDs in the book. suppose to be included. would like to hear the lessons that are in book.

I got the right book and everything. But, this book is suppose to come with a CD set and it was not stated that it does not which really bothered me.

Bought this book for a Jazz History course I was taking. Book delivered late AND did not come with the CD which was required for my course

Saved a lot of money buy renting it :)But I wish it came with the CD

very good
