# Rumi (Everyman's Library Pocket Poets)

## Synopsis

The poetry of the medieval Persian sage Rumi combines lyrical beauty with spiritual profundity, a sense of rapture, and acute awareness of human suffering in ways that speak directly to contemporary audiences. Trained in Sufism—a mystic tradition within Islam—Rumi founded the Sufi order known to us as the Whirling Dervishes, who use dance and music as part of their spiritual devotion. Many of Rumi's poems speak of a yearning for ecstatic union with the divine Beloved. But his images bring the sacred and the earthy together in startling ways, describing divine love in vividly human terms. This volume draws on a wide variety of translations—from the early twentieth century to the present—of Rumi's deeply moving, sensually vibrant poetry.

## Book Information

Series: Everyman's Library Pocket Poets

Hardcover: 256 pages

Publisher: Everyman's Library; First Edition edition (June 6, 2006)

Language: English

ISBN-10: 0307263525

ISBN-13: 978-0307263520

Product Dimensions: 4.3 x 0.7 x 6.5 inches

Shipping Weight: 0.3 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars— See all reviews— (7 customer reviews)

## Customer Reviews

This poetry book is among my top favorites. The poetry of Rumi gleams and sparkles with meaning for modern times ... amazing as it was written in the 1240s A.D. The natural imagery used is always surprising. He never fails to capture human emotions and the human condition, using original and sometimes highly provocative but very 'on-target' terms. The subject matter of each poem is varied, although the theme of the book is 'work' ... it really is about much, much more than work. I can not praise the themes of the poems and contents of this book enough. One outstanding poem uses "grapes" as imagery. Rumi describes for the reader, "How It Is with Grapes". When they are immature they jostle competitively in the bunch ... after maturing, the grapes soften, the skin rips open and become one juice. Rumi reassures us, it is just the same with humans. We are also told

some grapes grow stone-hard but the secret to that sour tightness remains hidden. What is more important is ... that we grow ... with each breath ... through the help of the heart master. Another poetic masterpiece is "Die Before You Die". We are told about a riddle, that the opener and that which is opened are the same ... Rumi states, "The day and the daily bread that comes are not to be worshiped for themselves. ... That it is the ocean inside the fish that bears it along, not the riverwater. ... The time-river spreads and disappears into the ocean with the fish." "Be one of G-d's fish who receives what it needs directly from the ocean around it - food, shelter, sleep, medicine." In conclusion, "A seed breaks into the ground. Only then does a new fig tree come into being. \*That's\* \*the\* \*meaning\* \*of\* \*die\* \*before\* \*you\* \*die\*." This is truly phenomenal poetry that has been tested over time. It is 800 years strong and still filled with enlightenment and human insight into the phenomenon called "Life". Erika Borsos (erikab93)

A great collection of Rumi's poetry from 7 different translators, some with a very literal, scholarly style of translation and some with a more free-verse style. This is a great introduction to Rumi and will also be well-loved by those of us more familiar with his poetry. Has some great footnotes about Sufi mysticism and teachings. I love the beauty of this little book, from the calligraphy on the cover to its sewn-in ribbon bookmark. The compact size of the book makes it easy to carry into coffeehouses for inspirational reading.

I have read and own many Rumi books, because I have a deep and abiding love and respect for the teachings of the Sufis. When I picked up this book, I was quickly impressed and then astounded by its excellence. The compiler cherry-picked superb material from six different translators, and in some cases juxtaposes one translation next to another. What a wonderful book! I have already purchased and given out ten copies to friends and family and will be buying more in the future. Everyone has loved it, and thanked me deeply. The best Rumi book I own.

This was a wonderful read on poetry, and I especially enjoyed the creative imagery, the recognition of the meaning and value of work and the subtle weaving metaphors as the author worked to uncover the underlying truths of all of our lives.
