Federal Rules Of Civil Procedure (2017 Edition): With Advisory Committee Notes, Overview Of New Amendments & Recent Cases On ESI Sanctions

Synopsis

2017 Edition. A current edition of the Federal Rules of Civil Procedure is a critical resource for lawyers, paralegals and law students. The same can be said for the Advisory Committee Notes that can be extremely useful in understanding and applying the Rules. This book contains both of these authorities and is current through December 1, 2016, absent contrary action from Congress. In addition, this book discusses recent case law addressing Rule 37(e), perhaps the most significant change in the 2015 amendments to the Rules, governing sanctions for failure to preserve electronically stored information. This book contains the information you need in an easy-to-read format at a low cost.
