# Extravagaria (Spanish Edition)

## Synopsis

Extravagaria marks an important stage in Neruda's progress as a poet. The book was written just after he had returned to Chile after many wanderings and moved to his beloved Isla Negra on the Pacific coast. These sixty-eight poems thus denote a resting point, a rediscovery of sea and land, and an "autumnal period" (as the poet himself called it). In this book, Neruda developed a lyric poetry decidedly more personal than his earlier work.

## Book Information

Paperback: 304 pages

Publisher: Farrar, Straus and Giroux; 1st edition (January 15, 2001)

Language: Spanish

ISBN-10: 0374512388

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (9 customer reviews)

Best Sellers Rank: #434,246 in Books (See Top 100 in Books) #100 in [Books > Literature & Fiction > Poetry > Regional & Cultural > Caribbean & Latin American](#)

## Customer Reviews

Pablo touched me as no poet that I have read in the last 25 years. His lines particularly sees the world with wisened eyes, written in his later days. He embraces his past occasionally crushing it with bittersweet energy. At the same time he looks forward to rest and what's next. He never stopped Becoming, as Sarte would say, through the years. "Her" declares the need and joy of loving and working life together with his spouse. "Larnyx" chills with news from the doctor that all of humanity dreads. The spanish on the facing page lets one glimpse at hidden meanings, reaching back for our Spanish 101 or Elementary Latin, a treat. If you buy one poetry book this year, this should be the one. If you are silver haired, as I, then this is the poetry of the decade for you.

A wonderful collection of Neruda's work. There is a sense of settling down in these collection of his work that is really quite beautiful. I also find Alastair Reid's translation more beautiful than others I've seen. The original spanish text on the opposite page is also nice and handy to have.

One of the most interesting books I have ever read. It taught me that there's poetry in every

movement we make and every moment we live.

Pablo Neruda writes in a style that is so accessible and yet so elegant..Extravagaria is the first of his books of poems that I have read (having only read some selected poems of his before) - to read the poems as they were meant to be read in this collection is a delight.. I only wish I could read them in Spanish - I guess I will have to hit the books...

The translations are well done. It's nice to have both languages to read and compare. Good variety of Neruda's poems. A wonderful introduction to this great poet.
