Pretrial Litigation: In A Nutshell

Synopsis

This Nutshell focuses on the Federal Rules of Civil Procedure, covering changes that resulted from major amendments to the Federal Rules of Civil Procedure and Federal Rules of Evidence that became effective on December 1, 2000. Since state counterparts to these federal rules have been adopted in a majority of jurisdictions, the pretrial skills considered in this text are essential in both state and federal practice. Coverage includes client interviewing, attorney-client relationship, pretrial planning and investigation, the complaint, responses, discovery, interrogatories, depositions, production requests, examination, and admissions. Also explores judicial intervention into the discovery process, pretrial motion practice, and judgments. --This text refers to an out of print or unavailable edition of this title.

Book Information

Series: Nutshell Series

Paperback: 376 pages

Publisher: West Group; 2nd edition (1997)
