Level 3B - Theory Book: Piano Adventures

Synopsis

(Faber Piano Adventures). The hallmark of the revised Level 3B Theory Book is the synthesis of 3B concepts: major and minor scales, triads and chord inversions, and 16th-note rhythms are reinforced with writing, composing, sightreading, and ear-training exercises. Students will enjoy composing a tune for a lead sheet, harmonizing melodies, identifying triad inversions, and creating their own 16th-note rhythms in various time signatures.

Book Information

Series: Piano Adventures

Paperback: 32 pages

Customer Reviews

I have a friend whose daughter has used this series of books (Level 1 - 4 so far) in association with her piano lessons. She has made good progress. Sometimes the books are purchased on [Amazon](#) and sometimes from other sources.

Great series for my daughter, selected by her piano teacher. The theory books are great reinforcement for the concepts introduced in the lesson books. FYI, I was unsure what edition we would receive from [Amazon](#) because although the description says this is the second edition, the book cover shown on the listing does not say "2nd edition." I did purchase directly from [Amazon](#) and we received the 2nd edition, which was what we needed.

1st bad review on [Amazon](#) ever. This book isn't the 2nd edition (most recent) as it said it was. I bought it in a

group of three books (lesson, performance and theory books) from the same seller. 2 of them were 2nd edition, this one wasn't, so they can't be used together! Piano teacher didn't tell us until it was too late to return.

I used this series of books when I was taking piano more than 30 years ago. Today my daughter uses the same series. It is still a great series of fundamental piano books for the young student.

We love this series of books. My mother is a former piano teacher and has stated how well she likes this teaching method.

The Piano Adventures books are great! We have been using them for both our children for a few years and they have really grown with their music.

See review for Level 3B Performance Book: Piano Adventures.

Good book and quick delivery. I would recommend.
