During their time of glory, paraded at their husband s side, they travel in opulent vehicles decked out in the latest designer fashions and live in the lap of luxury. It just takes one second, one false move, however, and their entire life come crashing down on them. Their man loses power, money and his freedom, and suddenly their golden dream turns into their darkest nightmare. Glamour and an affluent lifestyle give way to uncertainty, unease, and an inability to go back to a "normal" life. Las Fant sticas were always the "official" women. They were owed respect and subservience. They ruled the house, presiding over an army of servants that saw them as an extension of the boss. Never before had anyone told their story, had delved into their metamorphosis from simple, unassuming women into the partner of recognized criminals. The true story of drug trafficking as recounted by the wives of the top Colombian drug lords. Six horrifying tales of the behind-the-scenes existence of the women in the lives of Colombian drug dealers. True stories of the wives and women of drug dealers, whose names, even if concealed behind pseudonyms, are easy to recognize in real life. Las Fant sticas are beautiful women whose true nature is veiled under a sweet and innocent guise. Upon seducing their "lord," a race against the clock begins each will do whatever it takes to maintain their place in power. Never before has such an intimate portrayal of these women been available to the public. Be the first to read what they are really like and how much they are willing to change for the sake of power and money. The television series consists of 40 chapters, and is less violent and more humorous than El cartel.

## Customer Reviews

Me pareciÃ³ un libro interesante, de un tema desconocido para mÃ­ y todo el tiempo me mantuvo interesada. Al final, me parece que es una lecciÃ³n de la cual todo lector puede aprender, aÃºn cuando no se viva en el mundo del NarcotrÃ¡fico.

Este Libro esta buenisimo. Muy Interesante, con la lectura te lleva a sentirte dentro del lo que esta pasando, es muy triste y emocional. Pero sobre todo tiene un mensaje muy importante para la juventud los ninos que son nuestro futuro.No hay una sola pagina que te aburra. Es de lo mejor.

Este libro, que es una serie de historias de diferentes mujeres que de alguna manera o otra se encuentran en relaciones con narcos. Este libro es muy interesante no pude parar de leerlo.

Great stories and on time, keeps you hooked with the glamour and luxuries but changes your perspective on this lifestyle

Muy bien escrito. No hay mejor narrador que Andres, pues el vivio estas cosas en vida. Me gustaria saber si escribio sobre su fantastica? Quede intrigada despuesde ver la pelicula. Aunque fue un romance de pelicula, tal vez tuvo una inspiracion del romance que vivieron el y Maria en vida real.
