# El Silencio. De Paulo VI A Bergoglio. Las Relaciones Secretas De La Iglesia Con La ESMA (Spanish Edition)

## Synopsis

Cuando la Comision Interamericana de Derechos Humanos visito la ESMA en 1979 no encontro ni rastro de los prisioneros. Con la ayuda de la Iglesia, la Armada los habia escondido en la isla "El silencio", el lugar habitual de recreo del cardenal arzobispo de Buenos Aires. No se conoce otro caso en el mundo de un campo de concentracion en una propiedad eclesiastica. Las relaciones secretas que este libro revela despues de casi tres decadas de silencio incluyen la seduccion que el almirante Massera ejercia sobre el papa Paulo VI, el doble juego del ahora cardenal primado Jorge Bergoglio, la colaboracion del nuncio Pio Laghi y del secretario del vicariato castrense Emilio Graselli con el programa de reeducacion de prisioneros de la ESMA. Con la prosa apasionante de un thriller, Horacio Verbitsky describe la fascinacion del mal sobre una institucion cuya finalidad declarada es hacer el bien.

## Customer Reviews

"This book investigates the arrests of citizens in Argentina in 1979 and their subsequent internment in concentration camps on the grounds of a religious institution." This is as reviewed in "The New Essential Guide to Spanish Reading" which is published by America Reads Spanish: a campaign aimed to increase the use and reading of the Spanish language through the thousands of libraries, schools and book stores in the US.

For those who do not know the real story of "El Perro" Verbitsky's own collaboration with the

Argentine armed forces during the so-called dirty "war," I suggest readers who can read Spanish check out "Horacio Verbitsky, tribulaciones de un "doble agente; EL DÃ•A QUE LA FUERZA AÃ‰REA LE AGRADECIA" POR SUS SERVICIOS) [...]Or my own, "Pope Francis and some still dirty secrets from Argentina's so-called dirty 'war;' When the accuser should stand among the accused" [...]As Jacobo Timerman (who I worked with at Newsweek) once commented to me, how was it that his former employee Verbitsky, well known as a former Montonero intelligence official, was allowed to live undisturbed in Buenos Aires during the worst of the military repression?To which I would add: How was it that Verbitsky could be mentioned, by name, in a book he ghostwrote while supposedly in clandestinity that was published by the Air Force (in 1979) and read by the same vicious military he claimed to oppose in armed struggle, and not be bothered?Readers, beware!

Desafortunadamente el sensacionalismo siempre estÃ¡ de moda y nunca faltan los buitres que quieran lucrar con temas asÃ- . Esta es una obra emblemÃ¡tica de este tipo de trabajos. Para el que busque la verdad mejor le recomiendo atienda otras fuentes. ¿QuÃ© es lo que te imaginas que puede escribir alguien como este autor? En ese sentido no quedarÃ¡s decepcionado. Es una pena. NO le pongo cero estrellas porque no se puede poner.

As the Scandals in the Catholic Church(or Cult) are Dimmed (on Purpose? Perish the thought!) by the Papacy Myth and a Ceremony of "Pope Election" fanfare , I (my intellect) am at Odds with me as the Blind pupil who is called to "kiss my ring --if not my ass, keep believing without questions, and all shall be forgiven"--sends me into Nietzsche's Human, all too Human. "As long as a man knows very well the strength and weaknesses of his teaching, his art, his religion, its power is still slight. The pupil and apostle who, blinded by the authority of the master and by the piety he feels toward him, pays no attention to the weaknesses of a teaching, a religion, and soon usually has for that reason more power than the master. The influence of a man has never yet grown great without his blind pupils. To help a perception to achieve victory often means merely to unite it with stupidity so intimately that the weight of the latter also enforces the victory of the former".
