The Incas: New Perspectives (Understanding Ancient Civilizations)

Synopsis

Defying many of the supposed rules of civilization building, and lacking the advantages of a written language, hard metals, the wheel, or draft animals, the Incas forged one of the greatest imperial states in history.â Maps of the Andes region and Inca lands showing prominent population centers and geographic featuresâ A concise, informative chronology of the rise and fall of Inca civilization, from the earliest evidence of cultural life to their destruction at the hands of Pizarro and his conquistadors
