excellent selection of recognizable classics. my granddaughter is very pleased to have some additional music to play. she is at an easily bored stage (maybe that doesn't go away????) anyhow--I highly recommend this for any beginner flute player. it is both easy to play and easy to listen to.

Just had my first session with easy flute & piano duets with my 9 yr. old granddaughter. Catherine is

just starting her 2nd year of flute lessons & was able to sight read her first choice to learn, Brahms's Lullaby. She still needs to work on a lot of things (breath control, pitch, etc.) but we had a ton of FUN playing together (I'm the piano part of the duet, but also play the flute). Highly recommend for you grandparents!

Fun easy music that I can actually accompany my daughter. I don't play the piano well, but I could sightread these. We are both enjoying the book :)

The piano CD had accompaniments that were in a different key than the book. Totally unuseable
