Customer Reviews

My two year son loves Biscuit, but it is a challenge when I am trying to raise him to speak Spanish and to find good books translated correctly. In any case, at least my mom can read this one to her grandson. I just wish I can find more.

My one year old niece loves this book. In a bin full of toys she always pulls this book out first. She also has "Bizcocho Finds a Friend" and loves it as well. Wish they would translate more of the

Bizcocho books.

My highschool students love reading books they remember from their childhood. Everyone loves Biscuit.
