Customer Reviews

Compre este libro para mi clase de introduccion a la literatura hispana y dedicamos una semana entera a leer y analizar este poema epico. El poema es un poco largo, ya que la mayoria de nosotros estamos acostumbrados a poemas pequenos, lo cual nos ayuda a entender donde toma lugar el poema y conocemos mas a fondo los personajes de la obra. Este poema es un clasico, el final es no solo horrendo pero interesante y la escritura del poeta te inmerse en este pueblo pequeno en el cual viven nuestros personajes. Muy buen libro, lo recomiendo a cualquiera que no sepa que libro leer por el momento.

If you can read in Spanish and you love Romanticism, this book-length narrative poem is a "must." It

will take you on a nightmare, gothic journey through the dark night of the soul, combining mystical poetry with the exploits of a Don Juan. This is an excellent edition, though you really don't need all the notes and erudition to enjoy it; it's there if you want more info on the versification and technique, etc.
