Customer Reviews

This is a great book for new readers. The story is hilarious. My first grade daughter is in a Spanish immersion school and is learning to read. This and other books by this author (Clic Clac Muu) have funny illustrations and stories to keep their interest and engage them in reading on their own. Pato has a mind of his own!

Cuida las cosas y relájate Jaja, Jiji, Cuac es una historia para que te relajes. Yo aprendí- que cuides las cosas de tus amigos o familiares. Investiga si el hermano de Brown cuida bien a los animales. Yo me divertí- mucho leyéndolo porque me hizo relajar. A mi me gusto como el hermano Bob explico que estaba haciendo y si no son tus cosas entonces... las tienes que cuidar muy bien. Liliana T.

This is another funny book in Spanish that is great to read for the kids.

Very cute and funny, the drawings are super cute. I only gave it four stars because I wish it had a little bit more to the story. Very easy to read even for someone who doesn't speak any spanish
