Sharp 'N' Sexy: La Triple L Mercenaries Book 2 (Landry/Fabrizio 16)

Synopsis

Nina Landry was known as a kind-hearted, free-spirited woman who still acted like a teenage girl despite the horrors sheâ ™d been through in life. However, the one thing that she was serious about was her job as a mercenary. Her specialty was handling anything with a sharp blade whether it was knives, daggers or swords. She was an ace when it came to using sharp objects and she did it with precision. Nina also had a special appreciation for good looking men but usually, she either ended up drugging them, crippling them or killing them. As this was her job as a mercenary not to mention that these men were almost always the scourge of the earth bad guys. She dreamed of one day finding her prince Charming. She wanted a wonderful man that could teach her what it was like to be truly loved since that was something sheâ ™d never experienced or witnessed until just recently. For the first time in her life, sheâ ™d meet a man that piqued her sexual interest and he was everything she wanted in a man except for one thingâ |He was a world-class moron!!! However she had a plan to deal with this self-proclaimed bachelor for life, sheâ TMd offer him a deal that he couldnâ TMt refuse. Enzo Fabrizio was an international playboy and self-proclaimed bachelor for life and the last thing he wanted was a woman looking for her prince Charming to sweep her off her feet. His main focus was doing his job as an enforcer and enjoying as many women as he could. One thing was for sure he certainly didnâ TMt want a smart-mouth, ass-kicking Landry woman, even if the one after him was hot as fire and as fine as silk. To be honest he enjoyed the fact that theyâ ™d become friends despite her flirtatious ways it was nice having a female friend to kick it with. Actually, it was the first time heâ ™d ever had a female friend that he hadnâ ™t sleep with. Although he was secretly attracted to her heâ ™d made it quite clear that they could never have a sexual relationship and friends were all they could ever be. However, when Nina made Enzo an offer to tempting to refuse he accepted. Can things between them ever be the same once Enzo falls into Ninaâ ™s web of temptation? Or can this sharp-witted, sexy Landry woman snag her Fabrizio man? Find out in Sharp and Sexy book 2 of La Triple L Mercenaries a part of the Landry/Fabrizio series.
